Human Research

The space station is being used to study the risks to human health that are inherent in space exploration. Focal research questions address the mechanisms of the risks and develop test countermeasures to reduce these risks. Research on space station addresses the major risks to human health from residence in a long-duration microgravity environment. Results from this research are key enablers for future long-duration missions beyond low Earth orbit

It includes a brief description of the study, mentioning identical twins, environmental factors, and the HERO Twin Astronaut Study Consortium. The second result is 'HREP-HICO (HICO and RAIDS Experiment Payload - Hyperspectral Imager for the Coastal Ocean)'. It describes the HICO camera and its use for environmental characterization of coastal regions. Both results have 'Show citation' and 'Copy citation' links.

Manmade Disasters: A Historical Review of Terrorism and Implications for the Future

Terrorism is defined as the illegitimate use or threat of violence to further political objectives. It is illegitimate in that it targets civilians and/or non-combatants and it is perpetrated by clandestine agents of state and non-state actors in contravention of the laws of war and criminal statutes. It is symbolic and premeditated violence whose purpose is to communicate a message to a wider population than the immediate victims of violence. It is designed to affect this audience by creating psychological states of fear in order to influence decision-makers to change policies, practices or systems that are related to the perpetrators' political objectives.

These objectives can be either systemic or sub-systemic and may be motivated by complex social forces

Stock Market Participation: The Role of Human Capital ...

<https://www.richmondfed.org> › working_papers

Human capital investment is significant for most individuals, while stock market participation is limited, especially early in life.

Can human capital be traded?

Human capital is intangible and can't be purchased or sold **directly**. For this reason, it does not get much **financial press**.

Part 1: When Americans leave their bodies to science, they are also **donating to commerce**:

Cadavers and body parts, especially those of the poor, are

sold in a thriving and largely unregulated market. Grisly abuses abound. <https://www.reuters.com/investigates/special-report/usa-bodies-brokers/>

Body brokers are also known as non-transplant tissue banks.

They are distinct from the organ and tissue transplant industry, which the U.S. government closely regulates. **Selling hearts, kidneys and tendons for transplant is illegal. But no federal law governs the sale of cadavers or body parts for use in research or education.** Few state laws provide **any oversight whatsoever, and almost anyone, regardless of expertise, can dissect and sell human body parts.**

“The current **state of affairs is a free-for-all,**” said Angela McArthur, who directs the body donation program at the University of Minnesota Medical School and formerly chaired her state’s anatomical donation commission. “We are seeing similar problems to what we saw with **grave-robbers centuries ago,**” she said, referring to the 19th-century practice of **obtaining cadavers in ways that violated the dignity of the dead.**

“I don’t know if I can state this strongly enough,” McArthur said. “What **they are doing is profiting from the sale of humans.**”

<https://www.reuters.com/investigates/special-report/usa-bodies-brokers/>

Dear Above Noted Public Officials:

I write this affidavit with respect to a second planned and programmed Regional Killer C. Boyden Gray name aligned nuclear attack bombing prepared for NYC under the guise of a Russia Nuclear attack. Please see his name aligned nuclear bombs, incendiary induced firebombs, and his prepared military explosives titled pyrotechnics. Please see exhibits 15G, 22, and 29. Please see his history of regional killings and viral injection infestations of healthy people in exhibits 24-55 and exhibits 51-77 at <https://ia601501.us.archive.org/15/items/october-2-2022-printed-notarized-claim-on-bond-amanda-hiller/OCTOBER%202%2C%202022%20PRINTED%20NOTARIZED%20CLAIM%20ON%20BOND%20AMANDA%20HILLER%20.pdf>.

Above and in the attached exhibits, you will see Regional Killer C. Boyden Gray and NYS Congressman Charles Schumer enjoinder in plotting the transportation methods for plotted manmade disaster victims, more specific, bomb and fire injured victims, known as labeled dead, while alive humans, or antemortem or undead.

In the video above of Schumer with his massive new Container fetish, he gives a coded date of January 6, 2023, although, Regional Killer C. Boyden Gray’s last NYC bombing, with no penalties, was on a NY Election Day, September 11, 2001. It is my prayer, that constituted authorities will do their performance bond jobs and make sure not another one of Regional Killer C. Boyden Gray’s bombings are allowed and scheduled for this upcoming NY Election Day November 8, 2022. Election day bombings are preventable and plotted as distractors to enhance voter fraud.

In exhibit 49, you will see that Regional Killer C. Boyden Gray and NYS Congressman Schumer have criminally worked together to prepay hospitals to implement Regional Killer C. Boyden Gray's name aligned and plotted hospital medical error and mistake scripts, to assassinate, clone, injure, harm, disable, slaughter, torture and have humans labeled dead, while alive in hospitals. In exhibit 49, you will see NYS Congressman Schumer hospital takeover with his 1-billion-dollar unsupervised prepaid money to hospitals for the killing of members of the human race. He prepaid hospitals for killing patients. Hospitals that did not kill enough patients had to return the money. Please listen to testimonies regarding NYS Congressman Schumer's money and murder in hospitals, his 1-billion-dollar prepaid hospital takeover payment for hospitals to be used for labeling humans, dead while alive and as Regional Killer C. Boyden Gray's name aligned medical error and mistake headquarters at:

https://www.bitchute.com/video/pOk5Z7bEPrB2/?fbclid=IwAR1N1ec_Sb5LOVe0UOIFoXj1TE7GHvjCOXPXyellAipc_zigiMC76US2X7Iw

NYS Congressman Schumer's hospital prepaid 1-billion-dollar labeled dead, while alive, hospital kill payment was also used for Regional Killer C. Boyden Gray name aligned Covid patients labeled dead, while alive. Please see Regional Killer C. Boyden Gray Covid name alignments at exhibits 40A to 40E.

Please listen to the above linked testimonies of how NYS Congressman Schumer's prepaid hospital money was used to hospital kill healthy humans and do the work of satan. This included the hospital criminal creation of the antemortem, the labeled dead, while alive patient, the undead, and the hospital purchasing of anterooms and containers, for the created antemortem. In NYS, the anteroom and the containers are the human sacrifice waiting rooms for the undead, for NYS Congressman Schumer and Regional Killer C. Boyden Gray's satanic cult's emergency preparedness satanic rituals. NYS Congress criminal Charles Schumer's hospital money was used for the purchase of the human sacrifice waiting rooms defined as ANTEROOMS AND CONTAINERS. Please see exhibits 2, and 31 to 40A.

The Schumer 2-billion-dollar payment to the NY hospitals, was prepaid to hospitals because the satanic cult needs access to live blood, slaughter of the innocent, and bloodshed. They used Schumer's 1-billion-dollar Covid killing hospital payment to usurp power and control in the NY hospitals to get their labeled dead, while alive humans, and to have them placed in anteroom and container human sacrifice waiting rooms, until their ritual slaughterhouses were ready to clone, dissect, transplant organs, and sell bodies and body parts via their unregulated and criminal body broker temporary investment wealth plan at: <https://brokercheck.finra.org/search/genericsearch/grid>. These satanic bloodshed and killing requirements are in exchange for their soul contract with Satan for temporary wealth and world power. Please see exhibits 39-56.

Since the hospital criminal Covid label dead, while alive worked so well, due to the Schumer unsupervised 1-billion-dollar prepaid hospital kill payment, they, Regional Killers Charles Schumer, and Boyden Gray, have prepared a Regional Killer C. Boyden Gray name aligned nuclear bomb attack, for NYC, under the disguise of a Russia attack. Please see exhibit 21. They have hospitals 100 percent ready for criminal label dead, while alive anteroom, and container human sacrifice waiting room placements.

Schumer criminally used his congressional position for counterfeit law making for transportation laws to facilitate the travel of their induced manmade disaster live injured victims, criminally contained in anterooms and containers. They have created counterfeit laws to make it easier to transport the induced man-made disaster terminal ill, live bodied people, labeled dead, because they, Schumer, and Gray, want live blood to feed their satanic cult's demons and to make money off cloning live blood humans.

They created counterfeit laws from the congressional level to facilitate the selling, harvesting, and transplanting of live humans, organs, and body parts under the disguise of their body broker wealth investment plan located on exhibit 11 and exemplified in their criminal humans labeled dead, while alive database at: <https://brokercheck.finra.org/search/genericsearch/grid>. Please see exhibit 33 to see live human bodies, organs and parts amounts of money being criminally traded and body broker invested.

In exhibits 15A-15F, you will see Schumer's conflict of interest, deadly fetish with massive new containers, loading and unloading containers, international Moving Boats, and his criminal funding of over \$750,000.00 to his Schumacher Cargo International live bodies labeled dead shipping, at exhibit 15B.

He has criminally used his congressional position and funding for eugenic assassination, murder by proxy, and label dead while alive human sacrifice programming's. He has published counterfeit laws in place that facilitate human sacrifice programming via body broker do nothing laws and via his recent transportation laws that facilitate the hauling of humans labeled, dead while alive, by writing counterfeit laws like Ocean Shipping Reform, that destroys ocean shipping oversight and supervision. Please see exhibits 15E and F.

It is my contention, based on research and their expertise, in specific counterfeit law making, that they have been inducing man-made disasters across the nation, funding the labeling of humans dead, while alive and programming their human sacrifice waiting rooms, and transportation to their satanic ritualized slaughterhouses for some time. I say this because their plotted NYC Regional Killer C. Boyden Gray name aligned nuclear bomb attack programming is scripted. Everything is in place. Regional Killer C. Boyden Gray name aligned nuclear bombs and incendiary induce firebombs are ready. Criminals have been placed in the NYS Fire Departments and bomb thrower crowd managers are put in place to facilitate timed bomb placements and induced injuries. The hospitals have been paid off. The anterooms and container human sacrifice waiting rooms are in place. The Regional Killers Schumer and Gray, criminal body broker investors, label dead, while alive, human database is criminally waiting to be replenished, as if nothing is criminal about having a Regional Killer C. Boyden Gray labeled human as dead, while alive, body broker database.

This is a Regional Killer C. Boyden Gray, NYS Congressman Charles Schumer and NYS Governor Kathy Hochul and other criminal Governors, current, name aligned, human sacrifice, murder by proxy, labeled dead, while alive, eugenic assassination, slaughter of the innocent, betray the constitution, and treason, programming's, all to meet the satanic cults massive live humans, demon statute feeding requirements, in exchange for sales and harvesting of live organs and undead bodies, as temporary body broker investor wealth management. Please see exhibits 4-18.

Labeling humans dead, while alive, under the guise of disaster management, is a criminally insane Regional Killer Boyden Gray funded manifestation that must be destroyed. Keeping and holding in containers, live people labeled dead, to sell live their live body parts is a Regional Killer Boyden Gray funded manifestation, that must be destroyed and is being done under the guise of securities and human asset investments, and more organized killing fraud at:

<https://brokercheck.finra.org/search/genericsearch/grid>.

Regional Killer C. Boyden Gray is criminally usurping power in USA governor's offices for the specific purpose of human sacrifice, eugenic assassination, murder by proxy, and infectious disease viral infestation programming. He is controlling and using governor offices to betray the constitution and instituting treason from the top programming. This is to create classes of people with denied rights and denied equal access to the courts.

He is criminally using his betray the constitution programming's from the top, to induce poverty and create impoverished classes of people. Regional Killer C. Boyden Gray used Covid for his mass criminal loss of jobs and incomes, for his induce manmade disaster human sacrifice killing programs. He is doing this to create and maintain easy prey for his criminal senile human sacrifice, human trafficking, eugenic assassination, induced hospitalization, labeled dead, while alive, and murder by proxy, criminal wealth management by investing and selling the undead, antemortem, live body parts, and full bodies as advertised here: <https://brokercheck.finra.org/search/genericsearch/grid>.

In the below attached exhibits, you will see Regional Killer C. Boyden Gray, documented interstate, and international human sacrifice programming. In these exhibits you will see that he is using USA governors offices to obstruct the rule of law and destroy the safety of the people supreme maxim of law. In exhibits 1-4, you will see a humongous boat labeled a container. Governor officials in Maryland and Baltimore are celebrating this money-making entity, which is identified as secret. Please listen here between 46-47 seconds to the SECRET container celebration by interstate public officials, who never address what the container is for, at:

<https://www.wbal.com/article/589100/21/massive-new-container-terminal-rail-facility-coming-to-tradepoint-atlantic?fbclid=IwAR10FvJQ4uEqaXuQVYIapgQGoDVnEZXIAB0A4jISIDBZrsxuMwoR6kx4>

While researching the placement of the undead in hospitals, which is the anteroom, one of the sites below had a containment project assessment form for the undead.

Not one governor official, inquired and or explained what the purpose of this grand secret container terminal investment is. Please note I knew what the container was, because I just finished research on Regional Killer C. Boyden Gray's anteroom concoctions, created for antemortem, the undead, humans labeled dead, while alive. Please see exhibits 31-38.

The anteroom research led to bigger, Regional Killer C. Boyden Gray, labeled dead, while alive, projects. This included the below exhibits 1-2, container and containment project assessments. Consequently, when I saw the Maryland and Baltimore, money hounds, talking about the secret, on the water Containment project, its association with the labeled dead, while alive, anteroom, had already been established, in God's divine order. Please see exhibits 2-4 and 31-38, the anterooms, straight to the bigger anteroom, with the containment crew. In fact, please see the sale of these satanic and criminal creations, both the, anterooms and the containers, the human sacrifice waiting rooms, here, as if these satanic human sacrifice waiting rooms are lawful or normal:

The more we the people allow constituted authority to acquiesce to demonic killing programming; the more power Regional Killer C. Boyden Gray and his satanic cult gets from us humans, God's people who have God given authority over demons. Our authority is in our God created laws and enforcement. Regional Killer C. Boyden Gray created these human killing accessories and programs and is paying off entities to not prosecute human killers. He is using master deceptions for his human killing programming's. Some people think it is a wealth management program. Some think it is a race killing program. Some think it is a money maker program. In the below exhibits, you will see Regional Killer C. Boyden Gray multifaceted ways of stealing live blood and killing all members of the human race, from partial abortions to senior citizens, like himself. This regional killer is criminally senile and needs to be put away from humans before another one of his regional killings.

The below exhibits show he started out killing and infesting babies and children without penalties. Please see exhibits 42-44. He progressed to killing and infesting, children, and adults in massive amounts in the USA and third world countries with no penalties. Please see exhibits 1-56. He was feeding the killings, the dead bodies to his satanic deities for temporary wealth and power. Those deities/demons no longer want dead bodies. He has been feeding them dead bodies for over 50 years, with no earthly penalties. Hence, the demons are tired of his dead bodies. They want live bodies. He is feeding his demons live bodies. He is master deceiving many money hungry people, who think his human sacrifices are any kind of wealth plan. The above new massive human sacrifice container waiting room is planted on the water so he can feed his marine kingdom demons live bodies, for his wealth covenant. Learn more about his Marine kingdom demons at:

<https://www.amazon.com/Satanic-Marine-Kingdom-operates-activities/dp/108208073X>

Since his crimes and killings were not stopped, and have escalated to the billions, with no penalties, he has now constructed more killing programs, but with label dead, while alive features. The deities he is feeding, no longer want dead bodies. They want live bodies and body parts. As such, Regional Killer C. Boyden Gray has organized and funded, his name aligned Cancer, Covid, Monkeypox, Aids, HIV, emergency preparedness, emergency management, disaster management, induced man-made disasters, natural disaster fraud, and more criminal labeled dead, while alive programs.

Each of his manmade, laboratory created, deadly pathogen and precision targeted injection induced viral infestation, is for the hospital labeling of live humans as dead. He is obsessed with occultism, and his demons are thirsty for live human blood because he was not stopped earlier for his massive and regional killings. Consequently, Regional Killer C. Boyden Gray is killing cops, police, judges, realtors, landlord's, owners, lawyers and more. Please see exhibits 41, 45A-B, and 46. We are witnessing occultic demon obsession to criminal homicide senility, that could have been prevented, by simple arrest.

In summary, below you will find the many components of Regional Killer C. Boyden Gray and NYS Congressman Schumer's recent plotted NYC replicated election day bombings, induced fires, human sacrifice, eugenic assassination, murder by proxy, induce hospitalization, label dead, while alive, programming's and antemortem/undead creations. It is my fervent prayer that every aspect of their plotted, either November 8, 2022, NYC election day or January 6, 2023, nuclear bomb attacks are destroyed, as I invoke Ephesians 5: 11 which states take no part in the works of darkness, rather expose them.

I further invoke, Leviticus 20: 27, which states that: A man or woman that hath a familiar spirit, or that is a wizard, shall surely be put to death: they shall stone them with stones: their blood shall be upon them. This means that the blood of Jesus wrapped stones are spiritually directed at the enemies nuclear bomb altars and their attached threatened attacks and that the stones with the bloodshed of Jesus Christ destroys all their nuclear bomb altars and plotted attacks.

I further invoke, Exodus 22:18, Thou shalt not suffer a witch to live. This means NYS Governor Hochul's, below linked nuclear attack sanctioning fraud, to create a manifested Russian vengeance appearance on earth, that does not exist, is denounced, and sent back to the abyss, it was plotted from. IN JESUS NAME, KATHY HOCHUL'S UNWARRANTED RUSSIAN SANCTION WITCHCRAFT WILL HAVE NO VENGEANCE POWER WHATSOEVER ON THIS EARTH, VIA THE AUTHORITY IN THE BLOOD OF JESUS CHRIST, THE MOST-HIGH GOD AND MY AMBASSADOR OF JESUS CHRIST WET INK SIGNATURE SENDING THAT NYS CONSTITUTED AUTHORITY NUCLEAR BOMB WITCHCRAFT OFF THIS EARTH AND BACK TO THE PIT OF HELL WHERE IT CAME FROM. ALL NUCLEAR ATTACK DEMONIC ALTARS ARE COMMANDED TO EXECUTE OFF EARTH PURSUANT TO EXODUS 22:18 AND EXPLODE IN THE PIT OF HELL, IN JESUS NAME.

PURSUANT TO EXODUS 22:18 ANY AND ALL NUCLEAR BOMB ALTARS AND ATTACKS SHALL NOT LIVE ON THIS EARTH, IN JESUS NAME. Please see:

Finally, the Maryland and Baltimore Containers were created to house the Regional Killer C. Boyden Gray plotted NYC and international induce firebomb victims, labeled dead, while alive. Recently, before knowing of his ready-made Maryland and Baltimore killer containers, I wrote the below linked criminal report, documenting steps in Regional Killer C. Boyden Gray's upcoming plot to bomb NYC again and use his name aligned incendiary induced firebombs to induce fires across NYS, to create, injured and killed victims, again, in NYC. Please see: [https://archive.org/details/october-22-regional-killer-c.-boyden-gray-killing-program-in-my-home/page/n7\(mode/1up](https://archive.org/details/october-22-regional-killer-c.-boyden-gray-killing-program-in-my-home/page/n7(mode/1up)

He is using his induced man-made disasters, as well as his deadly laboratory created infectious viral infections, to get his required satanic killings, infestations and now, since not prosecuted, his demons want live humans, labeled dead, as part of his slaughter of the innocent satanic rituals. Regional Killer C. Boyden Gray is using his laboratory created and unsupervised, Covid, Monkeypox, HIV, Cancer, Polio, Ebola, money for funding his induced man-made disasters. The disasters are implemented for more injured, **LABEL DEAD, WHILE ALIVE** bodies for his satanic deities, as well as implemented for more governor monies under the embezzlement of money called, emergency management, recovery, disaster relief monies, and more organized fraud.

The killer monies are used for more killing money. If we want the crimes and killings to stop, we must stop funding the killing programs and put funds into ENFORCING GOD'S LAWS ALL ACROSS THIS EARTH, public safety, injection validation, sovereign education, and anti-eugenics programming. To this end, please see the attached multitudes of regional Killer C. Boyden Gray's criminal use of multiple Governors offices for his human sacrifice, eugenic assassination, murder by proxy, label dead, while alive humans, betray the constitution, treason, and induce poverty programming's. Each program implemented for Regional Killer C. Boyden Gray to meet his satanic killing, infestation, and sacrifice requirements for his delusions of law, temporary wealth, and world power. Please see all the exhibits and the below attached notarized ending.

***** PLEASE NOTE I HAVE CORRECTED THIS DOCUMENT 3 TIMES FROM REGIONAL KILLER C. BOYDEN GRAY'S COMPUTER HACKING AND SABOTAGE. HE SABOTAGED ALL OF MY AUDIO TALKSHOE LINKS. NO ONE SHOULD HAVE THIS MUCH TEMPORARY POWER. SENILE REGIONAL KILLER C. BOYDEN GRAY NEEDS THE DEATH PENALTY.

In closing, I, Miriam Snyder am filing this verified criminal complaint regarding Regional Killer C. Boyden Gray attached documented criminal use of multiple governors offices, in this matter Maryland, Baltimore and NYS governor offices, are and were used for his human sacrifice, eugenic assassination, murder by proxy, label dead, while alive, betray the constitution and treason programming.

Consequently, I write this criminal report pursuant to Public Law 97-280, 96 stat 1211" Oct 4 1982 and Executive Order 13100 of Sept 22 1990 which states that the: UNITED STATES OF AMERICA CONGRESS DECLARES "THE BIBLE IS THE WORD OF GOD." As such, I invoke every God created Biblical Law, designed for the perfection, maturity, and civilization of man, to mandate God's people, particularly those holding public performance bonded public protection positions, to RETAKE this earth from satanists criminally planted in Governance rulership positions, effectively using treason, human sacrifice killing, label dead, while alive programming and more, to enforce covert mass murder and the destruction of law, order and humanity.

I further petition the Most-High God and the Holy Spirit, in the decreed name of Jesus Christ, to bind, rebuke, call, null and void, and send back to the pit of hell each territorial human killing rulership demon, Regional Killer, Satanist, and Eugenicist Boyden C. Gray and his retinue of satanists, have summoned up for the obstruction of humanity, justice, and the US Constitutional protections, each created under the authority of the Holy Bible.

VERIFICATION

Declarant, and Multiple Times Eugenics Assassination Survivor, Miriam Snyder, hereby declares that each statement in this Verified Criminal Complaint documenting and exposing Regional Killer C. Boyden Gray's current interstate human sacrifice killing program, label, dead, while alive, anteroom and containment, container programs, and the exhibits attached, are true and correct. This is a demand for criminal penalties enforcement, on behalf of equal protection of the law, and recommendation for the death penalty for Regional Killer Boyden Gray's over 50 years of programmed eugenic killings, of healthy humans, with no penalties.
3. This Verified Complaint of Treason is well grounded, cognizable in facts, warranted by existing public safety and human rights law and by good faith arguments for the enforcement of existing laws.

What is cloning in biology?

Cloning is a technique scientists use to make exact genetic copies of living things. Genes, cells, tissues, and even whole animals can all be cloned. Some clones already exist in nature. Single-celled organisms like bacteria make exact copies of themselves each time they reproduce. May 19, 2022

Counterfeit N95 Respirator Announcement

Please find a Counterfeit N95 Respirator Announcement below from NIOSH NPPTL. Please be sure to visit their webpage for more information on counterfeit respirators:
www.cdc.gov/niosh/npptl/usernotices/default.html#Counterfeits20Respirators

Respirator Buyers Beware

NIOSH has become aware of a counterfeit N95 Respirator on the market. The manufacturer Zubi-Ola is listing N95 respirators and marketing them as NIOSH-approved even though Zubi-Ola is not a NIOSH approval holder or a private label holder. In addition, NIOSH was made aware of manufacturers misrepresenting the NIOSH-approval. These manufacturers include:

- 1.) Wein Products- All approvals for Wein Products were rescinded in 2011. However, the manufacturer's website continues to state the ViraMask N95ESC is certified by NIOSH. View the user notice announcing their rescission.
www.cdc.gov/niosh/npptl/usernotices/notices/08262011.html
- 2.) Steelpro Safety- Steelpro Safety is a private label holder of Fido Masks. In 2014, Fido rescinded the certificates of approval for their respirators, but Steelpro's website continues to state that respirator models, F720V and F333V, meet NIOSH standards. View the user notice announcing the rescission.
www.cdc.gov/niosh/npptl/usernotices/notices/08032014.html
- 3.) Handan Hengyong- All certificates of approval for Handan Hengyong were voluntarily rescinded in 2014. Handan Hengyong continues to include information on its website misleading practices/notices/08262011.html.

Earth and Space Science

The presence of the space station in low-Earth orbit provides a unique vantage point for collecting Earth and space science data. From an average altitude of about 400 km, details in such features as glaciers, agricultural fields, cities, and coral reefs taken from the ISS can be layered **with other sources of data**, such as orbiting satellites, to compile the most comprehensive information available.

Educational Activities

The space station provides a unique platform for inspiring students to excel in mathematics and science. Station educational activities have had a positive impact on thousands of students by involving them in station research, and by using the station to teach them the science and engineering that are behind space exploration.

Human Research

The space station is being used to study the risks to human health that are inherent in space exploration. Focal research questions address the mechanisms of the risks and develop test countermeasures to reduce these risks. Research on space station addresses the major risks to human health from residence in a long-duration microgravity environment. Results from this research are key enablers for future long-duration missions beyond low Earth orbit

Twins Study - **Snyder** (HERO Twin Astronaut Study Consortium (TASC) Project: Longitudinal Integrated Multi-omics Analysis of the Biomolecular Effects of Space Travel)

Although identical twins are genetically almost the same, differences in environment, diet and other outside factors can affect their health in different ways. The Twins Study is an integrated compilation of ten studies at multiple research centers that examines the effects of space travel on twin astronauts, one of whom stays on the International Space Station for one year while his twin remains on Earth. HERO Twin Astronaut Study Consortium (TASC) Project: Longitudinal Integrated Multi-omics Analysis of the Biomolecular Effects of Space Travel (Twins Study - **Snyder**) analyzes all biomedical and molecular data collected by the other nine Twins Study researchers to produce the single most comprehensive view of how the human body responds to the rigors of spaceflight.

HREP-HICO (HICO and RAIDS Experiment Payload - Hyperspectral Imager for the Coastal Ocean) Relevance: 57%

The HICO and RAIDS Experiment Payload - Hyperspectral Imager for the Coastal Ocean (HREP-HICO) uses a special camera that separates light into hundreds of wavelength channels, which reveals information about the composition of water and land along the coasts. Each scene covers an area of about 30 miles by 125 miles, which captures features like river outflow plumes or algae blooms, and lets scientists do environmental characterization of coastal regions.

WHAT IS THE MAJESTIC 12?

http://www.conspiracyarchive.com/CommentaryMJ-12_Technocratic.htm
What is important about the MJ-12 papers is the portrait that they paint for the public mind. The papers present a shadowy group of policy professionals allegedly established by a secret executive order of President Truman on September 24, 1947. The underlying theme of the MJ-12 documents is **Inherently Technocratic**. That is, they dignify the concept of a Technocracy. A technocratic society, or Technocracy, can be defined as follows:

Technocracy, in classical political terms, refers to **a system of**

governance in which
technically trained experts rule by virtue of their specialized knowledge and position in dominant political and economic institutions. (Fischer 17)

THE MAJESTIC 12 WAS A DISGUISE TO SUBTERFUGE INFILTRATED SATANISM IN GOVERNMENT. JUST LIKE HR 1585 SECTION 1622, WHICH MAKES WAY FOR A **GOVERNANCE SYSTEM OF UNIDENTIFIED RULERS**. IF THE RULERS ARE UNIDENTIFIED, WHO DO YOU THINK IS RULING? THIS IS A SATANIC STRATEGEM THAT WORKS EFFECTIVELY AND IS THE PRECISE REASON BOYDEN GRAY IS OBSESSED AND POSSESSED WITH THIS DECEPTION, BECAUSE THE DEMONIC RESULTS ARE OVERWHELMING, INNOCENT CHILDREN AND ADULTS ARE KILLED UNDER DISGUISE AND THE MURDERER GETS AWAY WITH IT BY THE SECRET DESIGN OF A PSYCHOTIC UNIDENTIFIED AND UNAUTHORIZED **GOVERNANCE FICTION**.

THESE CRIMES, DISGUISED KILLINGS AND INDUCED AILMENTS CAN BE STOPPED BY CONGRESS DISASSOCIATING WITH THE BILL AND MAKING SURE IT DOES NOT RESURRECT.

THIS WAS GORDON GRAY'S METHOD OF INFILTRATING SATANISM IN GOVERNMENT. HE USED THE PSYCHOLOGICAL STRATEGY BOARD TO INFILTRATE SATANIC RITUAL ABUSE ADMINISTRATION, JUST LIKE BOYDEN GRAY DOES. ELECTRONIC SHOCK, WHICH IS ADVANCED EMF, INDUCED TRAUMA, DEFRAUD NEUROSCIENCE/LETHAL MIND CONTROL, DEFRAUD TORTURE SLEEP LABORATORY RESEARCH, SECRECY CURSED POLITICS AND GANGSTALKING, ARE ALL MANIFESTATIONS AND SCRIPTED CHARACTERISTICS OF SATANIC RITUAL ABUSE ADMINISTRATION. DO THE READING.

SATAN RULES VIA UNSEEN RULERS, AN **UNIDENTIFIED GOVERNANCE SYSTEM**. THE ONLY TRAINED CRIMINAL EXPERTS ARE THE SATANISTS. THEY ARE TRYING TO RULE BY THEIR SPECIALIZED KNOWLEDGE IN SATANISM AND DEMONOLOGY.

NOTHING MORE OR LESS, THAT IS IT. POPULATION CONTROL, UFO, SOCIAL PHENOMENA, ETC ARE ALL COVER UPS TO KEEP THE PEOPLE IN AWE WHILE THE DEMONS TAKE OVER.

Counterfeit N95 Respirator Announcement

Please find a Counterfeit N95 Respirator Announcement bulletin from NIOSH NPPRTL. Please be sure to visit: www.cdc.gov/niosh/npprtl/usernotices/default.html#CounterfeitN95Respirators

Respirator Buyers Beware

NIOSH has received more of a counterfeit N95 Respirator on the market. The manufacturer, Zul-Otis, was marketing N95 respirators and marketing them as NIOSH approved even though Zul-Otis is not a NIOSH approval holder or a private label holder. In addition, NIOSH was made aware of manufacturers mislabeling their respirators as N95. These manufacturers include:

13. Wein Products - All approvals for Wein Products were rescinded in 2011. However, the manufacturer's website continues to state that the ViralMask N95ESCE is certified by NIOSH. View the user notice announcing www.cdc.gov/niosh/npprtl/usernotices/notices/08262011.htm

23. Steelpro Safety - Steelpro Safety is a private label holder of Fido Masks. In 2014, Fido rescinded the approval of its N95 respirators, including models F720V and F333V, meet NIOSH standards. View the user notice announcing this rescission www.cdc.gov/niosh/npprtl/usernotices/notices/08262014.htm

33. Hemand Hempyong - All certificates of approval for Hemand Hempyong were voluntarily rescinded in 2014. Hemand Hempyong continues to include information on its website misleading www.hemandhempyong.com/Products/Respirators.aspx

Stock Market Participation: The Role of Human Capital ...

<https://www.richmondfed.org> > working_papers

Human capital investment is significant for most individuals, while stock market participation is limited, especially early in life.

Can human capital be traded?

Human capital is intangible and can't be purchased or sold **directly**. For this reason, it does not get much **financial press**.

Part 1: When Americans leave their bodies to science, they are also **donating to commerce**:

Cadavers and body parts, **especially those of the poor**, are sold in a **thriving and largely unregulated market**. Grisly abuses abound.

<https://www.reuters.com/investigates/special-report/usa-bodies-brokers/>

Body brokers are also known as non-transplant tissue banks.

They are distinct from the organ and tissue transplant industry, which the U.S. government closely regulates. Selling hearts, kidneys and tendons for transplant is illegal. But no federal law governs the sale of cadavers or body parts for use in research or education. Few state laws provide **any oversight whatsoever, and almost anyone, regardless of expertise, can dissect and sell human body parts**.

"The current **state of affairs is a free-for-all**," said Angela McArthur, who directs the body donation program at the University of Minnesota Medical School and formerly chaired her state's anatomical donation commission. "We are seeing similar problems to what we saw with **grave-robbers centuries ago**," she said, referring to the 19th-century practice of **obtaining cadavers in ways that violated the dignity of the dead**.

"I don't know if I can state this strongly enough," McArthur said. "What **they are doing is profiting from the sale of humans**."

Abstract

Evidence for human sacrifice is found throughout the archaeological record of early civilizations, the ethnographic records of indigenous world cultures, and the texts of the most prolific contemporary religions. According to the social control hypothesis, human sacrifice legitimizes

Extensive reviews on the chemistry and the military applications of phosphorus and its compounds [10, 11], and on the toxicity of RP and RP-based smokes [7] have been published. REGIONAL KILLER BOYDEN GRAY SATANIC HUMAN RESEARCH TESTING AND SLAUGHTERING ON HUMANS LABLED DEAD, WHILE ALIVE

Neck Biopsy

A section of skin 5 to 6 mm in diameter should be taken from the posterior region of the neck at the hairline. The biopsy specimen should contain a minimum of 10 hair follicles and be of sufficient depth to include the cutaneous nerves at the base of the follicle. Place the specimen on a piece of sterile gauze moistened with sterile water and place in a sealed container. Do not add preservatives or additional fluids. Laboratory tests to be performed include RT/PCR and immunofluorescent staining for viral antigen in frozen sections of the biopsy.

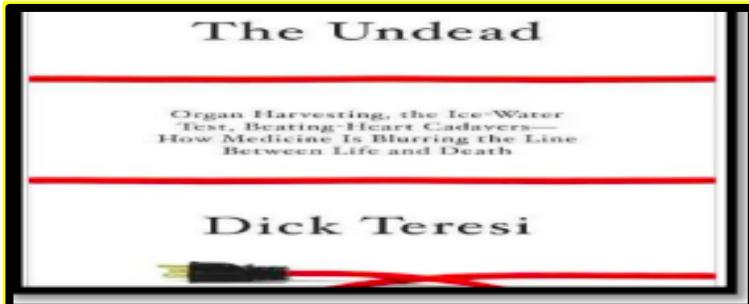

Serum and cerebral spinal fluid (CSF)

At least 0.5 ml each of serum and CSF should be collected; no preservatives should be added. Do not send whole blood. If no vaccine or rabies immune serum has been given, the presence of antibody to rabies virus in the serum is diagnostic and tests of CSF are unnecessary. Antibody to rabies virus in the CSF, regardless of the immunization history, suggests a rabies virus infection. Laboratory tests for antibody include indirect immunofluorescence and virus neutralization.

Brain biopsy

The rarity of rabies and the lack of an effective treatment make the collection of a brain biopsy for antemortem testing unwarranted; however, biopsy samples negative for herpes encephalitis should be tested for evidence of rabies infection. The biopsy is placed in a sterile sealed container; do not add preservatives or additional fluids. Laboratory tests to be performed include RT/PCR and immunofluorescent staining for viral antigen in touch impressions.

The below video details one of Regional Killer c. Boyden Gray's Covid name aligned prepaid hospital killing and murder by proxy programs, whereby healthy humans are induced hospitalized, labeled dead, while alive, and thereafter ritualized by the slaughter of the innocent and live organ harvest. Hospitals are prepaid to participate in these antemortem/undead creations and have human sacrifice waiting anterooms for Regional Killer C. Boyden Gray's slaughter of the innocent satanic rituals, feeding of live body parts to demon statutes, and preserving live organs for body broker investments, disguised as humans asset, securities, and stock. Please see the body broker database here:

President Calls Participants of the 30th Annual March for Life on the National Mall

11:05 A.M. CST

THE PRESIDENT: Well, thank you, Nellie. I want to thank you very much for including me in the **celebration of life**. I want to thank the good folks there on the Mall today. I'm calling you from St. Louis, Missouri. I know there are some from Missouri there and, like many others, you've made great sacrifices to come to Washington today. A lot of you have ridden buses all night long and I know you're braving the cold. And I admire your perseverance and I

admire your devotion to the **cause of life**.

You all are gathered today on the National Mall, which is not far from the monument to Thomas Jefferson who, as you all know, is author of our Declaration of Independence. And the March for Life upholds the self-evident truth of that Declaration -- that all are created equal, given the unalienable rights of life, liberty, and the pursuit of happiness. And that principle of America

needs defenders in every place and every generation.

In our time, respect for the right to life calls us to defend the **sick and the dying**, persons with **disabilities and birth defects**, and all who are **weak and vulnerable**. And this **self-evident truth** calls us to value and to protect the lives of **innocent children** waiting to be born. (Applause.)

You and I share a commitment to building a culture of life in America, and we're making progress. As the President, I have signed the **Born Alive Infants Protection Act**, opposed the destruction of embryos for stem cell research, and refused to spend taxpayer money on international programs that **promote abortion overseas**. (Applause.)

MS. GRAY : Thank you.

THE PRESIDENT: My administration is challenging the Oregon law that permits **physician-assisted suicide**. (Applause.)

MS. GRAY: Thank you.

THE PRESIDENT: We support abstinence education, and crisis pregnancy programs, and parental notification laws. We offer compassionate alternatives to abortion by promoting adoption and extending state health care coverage for unborn children.

My hope is that the United States Congress will pass a bill this year banning **partial-birth abortion**,

which I will sign. (Applause.) Partial-birth abortion is an abhorrent procedure that offends human dignity. I also urge the Congress to ban all human cloning. We must not create life to destroy life. Human beings are not research material to be used in a cruel and reckless experiment. (Applause.) For 30 years, the March for Life has been sustained by constant prayer and abiding hope that one day, every child will be born into a family that loves that child and a nation that protects that child. And when that day arrives, you will have the gratitude of millions -- especially those who know the gift of life because you cared and you kept faith. May God bless you all and may God continue to bless America.

MS. GRAY: Thank you, Mr. President.

We thank Senator Schumer and Congressman Torres for their efforts to obtain these needed funds to H & H . We applaud their commitment to the public hospital system and the members that work within it. Clearly H & H has played a critical role during the pandemic and saving many lives. **Responding Justly to Patients Harmed by Medical Care:

http://www.investigatorawards.org/downloads/research_in_profiles_Iss23_may2008.pdf

The Institute of Medicine's 2000 report, **To Err Is Human**, and the widespread media attention it received, dramatically increased awareness of the extent of

medical mistakes in U.S. hospitals. Since then, a number of states and national quality organizations have adopted policies requiring or encouraging medical professionals to tell patients and families when unanticipated "adverse events" occur. Some organizations and insurers have gone even further by adopting programs through which disclosures of adverse events are accompanied by offers of compensation (known as

disclosure and offer or D&O programs). Still, prompt disclosure of **medical**

errors and fair compensation remain the exception rather than the rule.

Thomas H. Gallagher, M.D., associate professor of medicine at the University of Washington,

and Michelle M. Mello, J.D., Ph.D., M.Phil., **C. Boyden**

Gray

Associate Professor of Health Policy and Law at the

Harvard School of Public Health, seek to more fully understand the effects of disclosure initiatives and innovative D&O programs on malpractice costs and patients' access to compensation. Their project, **Responding Justly to Patients Harmed by Medical Care: Disclosure, Compensation, and Litigation**, explores how policy levers can be used to make disclosing errors more routine and evaluates the design and effectiveness of D&O programs. Their work should help policymakers better understand the potential of these initiatives and how they might best be integrated into broader medical liability reforms.

Economic Credentialing:

- The use of 'non-competence' related criteria for membership on a medical staff or in a healthcare organization
- Point of contention with AMA, physician groups, attorneys, and healthcare organizations (e.g. Murphy v. Baptist Health and Rosenblum v. Tallahassee Memorial Regional Medical Center, Friedman v. Delaware County Memorial Hospital-2009)
- Growing necessity due to evolution of 'at-risk' reimbursement methodologies (e.g. shared savings)
- Best approach is to always link 'economic' criteria to quality (e.g. utilization management), community need and maintain a clear moral compass with regard to patient and community interests

LABEL DEAD, WHILE ALIVE HUMANS BECOME THE SATANISTS, CRIMINAL HUMAN CAPITAL INVESTMENTS. STOP THESE KILLINGS AND ATROCITIES TODAY!

Stock Market Participation: The Role of Human Capital ...

https://www.richmondfed.org/working_papers

Human capital investment is significant for most individuals, while stock market participation is limited, especially early in life.

Can human capital be traded?

Human capital is intangible and can't be purchased or sold **directly**. For this reason, it does not get much **financial press**.

Part 1: When Americans leave their bodies to science, they are also **donating to commerce**:

Cadavers and body parts, **especially those of the poor**, are sold in a **thriving and largely unregulated market**. Grisly abuses abound.

<https://www.reuters.com/investigates/special-report/usa-bodies-brokers/>

Body brokers are also known as non-transplant tissue banks.

They are distinct from the organ and tissue transplant industry, which the U.S. government closely regulates. Selling hearts, kidneys and tendons for transplant is illegal. But no federal law governs the sale of cadavers or body parts for use in research or education.

Few state laws provide **any oversight whatsoever, and almost anyone, regardless of expertise, can dissect and sell human body parts**.

"The current **state of affairs is a free-for-all**," said Angela McArthur, who directs the body donation program at the University of Minnesota Medical School and formerly chaired her state's anatomical donation commission. "We are seeing similar problems to what we saw with **grave-robbers centuries ago**," she said, referring to the 19th-century practice of **obtaining cadavers in ways that violated the dignity of the dead**.

"I don't know if I can state this strongly enough," McArthur said. "What **they are doing is profiting from the sale of humans**."

If you are in court, look up your judge carefully. Demand authentication of the judge's credentials. Hire a private investigator. This eugenic cult is moving in actors and actresses as judges, because in NYS no one is vetting judges, for the sole purpose of criminally insane, eugenic assassination programming. Please see page 62, in the below link. This page shows the leader in these deliberate medical malpractice crimes, his name is C. Boyden Gray. He is a documented eugenecist and regional killer. He kills massively by regions under the disguise of medical phenomena. He targets people of color first, for eugenic killing practice, thereafter he kills babies, pregnant women, healthy women, and men as a whole. The NYS Commissioner of Health, Mary Bassett works with Regional Killer C. Boyden Gray.
